FOR IMMEDIATE RELEASE

STATE ROUTE 91 (SR-91) HOV PROJECT EASTBOUND 14TH STREET AND UNIVERSITY AVENUE RAMPS NOW OPEN

RIVERSIDE – Caltrans announces the opening of the new eastbound 14th Street on-ramp and eastbound University Avenue off-ramp. The new “braided” ramp configuration takes motorists exiting onto University Avenue underneath the new 14th Street on-ramp.

While the new ramps will be open for traffic, minor shoulder work will continue on both ramps. Expect minor delays and intermittent lane closures.

The six mile, \$232 million High Occupancy Vehicle (HOV) lane project through downtown Riverside has a target completion date of late 2015.

For more information on these and other Caltrans projects, please visit our website and sign up for COMMUTER/MEDIA E-MAIL ALERTS. View traffic conditions at <http://quickmap.dot.ca.gov> or view planned lane closures at www.lcswebreports.dot.ca.gov.
