

I-215 / NEWPORT ROAD INTERCHANGE PROJECT

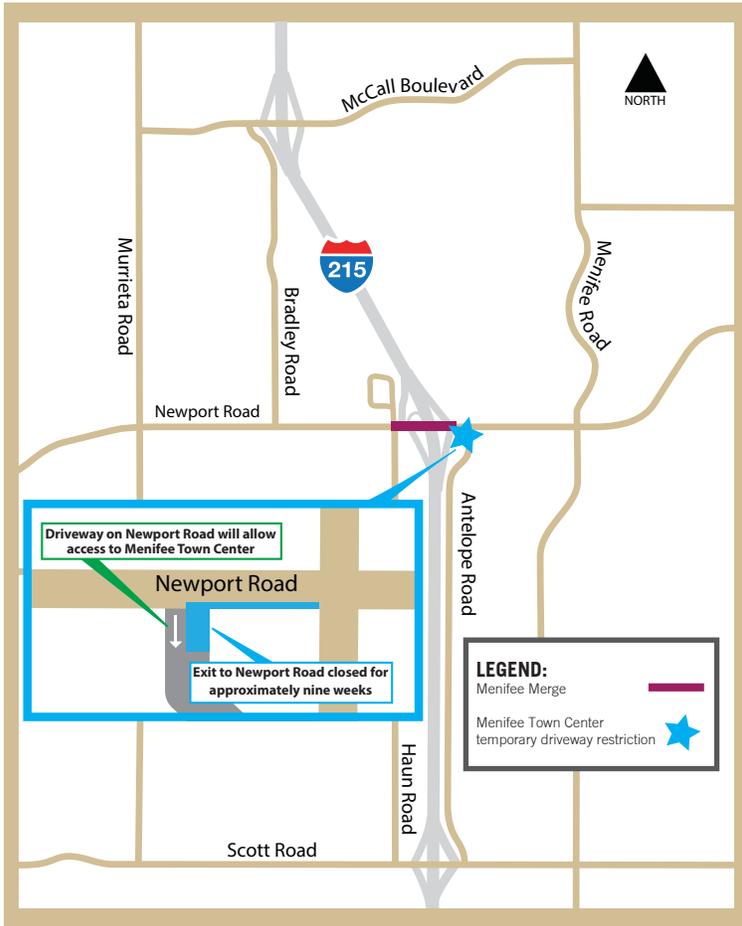

Construction Alert

Construction Activity, April 26-30, 2016

Intermittent closures for ramp and bridge construction at Newport Road

Date/Time	Location/Details
April 26-29 Tuesday-Friday 8pm-5am	Intermittent freeway lane closures on <ul style="list-style-type: none"> ■ southbound I-215 between Scott Road and McCall Boulevard
April 29-30 Friday-Saturday 9am-7pm	Intermittent ramp closures on <ul style="list-style-type: none"> ■ southbound I-215 on- and off-ramps
April 26-29 Tuesday-Friday 10pm-6am	Intermittent freeway lane closures on <ul style="list-style-type: none"> ■ northbound I-215 between Scott Road and McCall Boulevard
April 29-30 Friday-Saturday 10pm-7am	Intermittent ramp closures on <ul style="list-style-type: none"> ■ northbound I-215 on- and off-ramps
April 26-29 Tuesday-Friday 9pm-6am	Intermittent lane reductions on <ul style="list-style-type: none"> ■ Newport Road between Haun Road and Antelope Road
April 29-30 Friday-Saturday 10pm-6am	

Menifee Merge on Newport Road Bridge

Reconstruction of the south side of the bridge will continue for approximately six months. Newport Road traffic has been shifted onto the north side of the bridge and the traffic merge will run in both directions from April through October.

In this temporary configuration, the eastbound traffic will include two through lanes, one dedicated left-turn lane for the northbound I-215 on-ramp, and one dedicated right-turn lane for the southbound I-215 on-ramp. Westbound traffic will include two through lanes, and one dedicated right-turn lane for the northbound I-215 on-ramp.

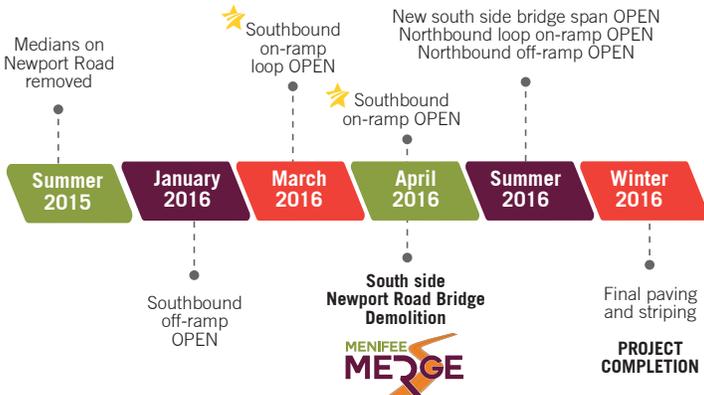

Menifee Town Center Access

The driveway on Newport Road will be cut down to half temporarily. This driveway will only allow for access to the Menifee Town Center and not permit exiting onto Newport Road. Construction activity will last approximately nine weeks and drivers will be able to exit the shopping center using the driveways on Antelope Road.

Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and use an alternate route. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.

Project Schedule

NOTE: Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.
