May 6-7 Friday-Saturday 10pm-7am	Intermittent ramp closures on <ul style="list-style-type: none"> northbound I-215 on- and off-ramps
May 2-6 Monday-Friday 9pm-6am	Intermittent lane reductions on <ul style="list-style-type: none"> Newport Road between Haun Road and Antelope Road
May 6-7 Friday-Saturday 10pm-6am	

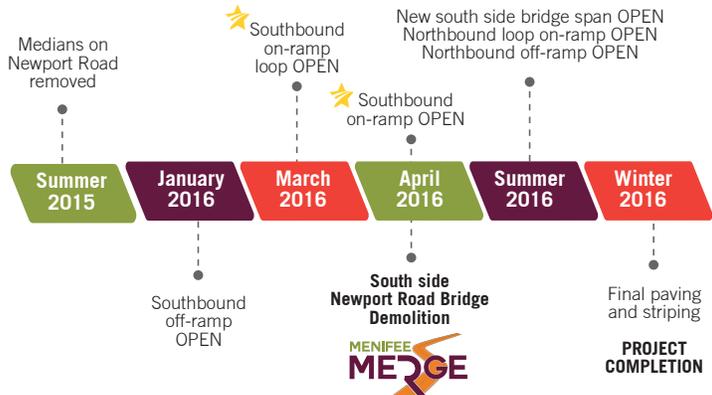

Menifee Merge on Newport Road Bridge

Reconstruction of the south side of the bridge will continue for approximately five months. Newport Road traffic has been shifted onto the north side of the bridge and the traffic merge will run in both directions from April through October 2016.

In this temporary configuration, the eastbound traffic will include two through lanes, one dedicated left-turn lane for the northbound I-215 on-ramp, and one dedicated right-turn lane for the southbound I-215 on-ramp. Westbound traffic will include two through lanes, and one dedicated right-turn lane for the northbound I-215 on-ramp.

Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and use an alternate route. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.

Project Schedule

NOTE: Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.
