At approximately 1:30 p.m. today a fire began on the Rancho Road Overpass on Interstate 15 (I-15) in Hesperia. The overpass is being built by Bernardino Associated Governments (SANBAG).

As a result of the fire, **both directions of I-15 are closed until further notice**. Traffic is being taken off I-15 northbound at Rancho Road and routed back onto the freeway at that location. I-15 southbound traffic is being diverted off at Joshua.

However, motorists are advised to avoid traffic delays by using alternate routes prior to those ramps. SR 18 and SR 138 are also viable detour routes.

Follow us on Twitter at www.twitter.com/caltrans8 for updates and closure duration.
