

**NOTICE OF WORK**  
*California Department Of Transportation*  
District 8 - 464 West 4<sup>th</sup> Street San Bernardino, CA 92401-1400

07-041

Date: May 3, 2007

**Interstate 15**  
**Mojave Drive Interchange Project**

- WHO:** Caltrans District 8 and the City of Victorville
- WHAT:** Construct new interchange with two lanes in each direction on Mojave Drive and signalize ramps
- WHERE:** Mojave Drive on Interstate 15 (I-15) in Victorville
- WHEN:** Construction will begin on May 22, 2007 and is expected to be complete in spring 2009.

**Traffic/pedestrian handling plan during work:**

Caltrans will have intermittent lane closures on Mojave Dr. and I-15 for up to 24 hours per day. Full closure of I-15 will be necessary for bridgework occasionally during the project. Pedestrian access will be available at all times on alternating sides of the existing Mojave Drive.

Another public meeting will be scheduled for the community in early June 2007. Additional information will be released by Caltrans Public Affairs when available. A weekly project update will be sent during construction. To sign up for these updates go to [www.caltrans8.info](http://www.caltrans8.info) then to "CT Connect" for I-15 work.

For additional information on the project, please call Caltrans Public Affairs at (909) 383-4631 or the City of Victorville at (760) 955-1681.
