## STATE ROUTE 330 OPENS

**San Bernardino Mountains** – Caltrans completed an emergency repair project estimated at \$6 million and re-opened State Route 330 to through traffic on Monday evening, 5/10. State Route 330 has been closed since March 16 for culvert damage sustained during heavy rains this year.

Crews will continue construction with flagging and pilot car while they complete the necessary work for approximately three to four weeks. One lane will be available at all times. Please plan your route accordingly as there will be a back up during commute hours.

Location	Days	Time	Closure
SR 330 closure site	Mon-Thurs	7:00am-6:00pm	One lane open at all times (Flagging)
