**INTERSTATE 10 EASTBOUND ON-RAMP AND OFF-RAMP CLOSURES
AT APACHE TRAIL IN CABAZON WILL BE REQUIRED STARTING MAY 12**

The Apache Trail Roundabout project will require full intermittent closures of the Interstate 10 eastbound on-ramp and eastbound off-ramp at Apache Trail in Cabazon. These closures are scheduled weekdays from May 12 through May 23 beginning at 10 pm and continuing through 11 am each morning. During these closures, motorists can use Fields Road or Main Street as alternate ramps. Please note that the on-ramps and off-ramps will not be closed at the same time.

We appreciate your patience while crews improve ramp connections and perform clearing work to prepare for construction of the roundabouts.

The Apache Trail Roundabout Project is funded by the Morongo Band of Mission Indians. Please remember to drive carefully, follow all signs and be patient while we build the roundabouts for a convenient connection to the Cabazon community. All businesses will remain open during construction.
