

I-215 / NEWPORT ROAD INTERCHANGE PROJECT

Construction Alert

Construction Activity, May 17-22, 2015

Project Overview

This project will reconstruct the existing interchange located on Interstate 215 (I-215) at Newport Road in Meniffee. The proposed improvements will reconstruct the existing diamond interchange into a partial cloverleaf interchange configuration, with northbound and southbound loop on-ramps. The existing bridge will be widened to accommodate six through lanes of traffic, including outside shoulders that will be used as bike lanes and a sidewalk on the north side of the bridge.

Preliminary work for the Project is now complete and road work will begin on Sunday, May 17, 2015. Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and use an alternate route.

Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.

Upcoming Closures

For re-stripping operations and k-rail placement

Date/Time	Location/Details
Sunday through Friday May 17-22 10 pm to 6 am	Freeway lane closures northbound I-215 between Scott Road and McCall Boulevard [^]
Sunday through Friday May 17-22 8 pm to 6 am	Freeway lane closures southbound I-215 between McCall Boulevard and Scott Road [^]
Sunday through Friday May 17-22 11 pm to 6 am	Full ramp closure Newport Road/ I-215 northbound on-ramp *
Sunday through Friday May 17-22 11 pm to 6 am	Full ramp closure Newport Road/ I-215 northbound off-ramp *
Sunday through Friday May 17-22 11 pm to 5 am	Full ramp closure Newport Road/ I-215 southbound on-ramp *
Sunday through Friday May 17-22 11 pm to 5 am	Full ramp closure Newport Road/ I-215 southbound off-ramp *
Sunday through Friday May 17-22 9 pm to 6 am	Newport Road lane reductions (one lane of traffic will remain open in each direction)**

[^] At least one lane in each direction will be open at all times.
^{*} There are two on-ramps and two off-ramps on Newport Road. There will always be one on-ramp and one off-ramp open at all times.
^{**} Left turn movements may be prohibited intermittently to safely allow the contractors to work within the construction areas.

NOTE: Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.

Upcoming Work

Please be advised that construction work on Newport Road for median removal is scheduled to start mid-June, and is anticipated to be completed within 2-3 weeks. Lanes will temporarily be reduced to two lanes in each direction during this period.
