

CALTRANS COMMUTER ALERT

13-129

Date: Friday, May 18, 2013
District: 8- INLAND EMPIRE
Contact: Darin Cooke
Phone: (909) 383-4631

EB/WB 210 connector to 15SB and Baseline on-ramp Closed for Weekend Work

Rancho Cucamonga/Fontana – EB/WB 210 connector to 15SB and the southbound Baseline on-ramp and Sierra Avenue on/off-ramp will be closed for the weekend on the 9-mile pavement rehabilitation project on Interstate 15 (I-15) from the 7th Street undercrossing in the City of Rancho Cucamonga to the Sierra Avenue undercrossing (UC) in the City of Fontana. The project was awarded to Griffith/Coffman Joint Venture, Inc. for approximately \$83 million on February 16, 2012. The work includes rehabilitation of the No. 3 and No. 4 lanes in both directions, rehabilitation of the outside shoulder and widening of the inside shoulder. The work is expected to improve ride quality, extend pavement life, improve facility operation, and safety.

The weekend closures will begin Friday night (late) and continue until Monday morning (early). Please use Foothill Blvd as a detour and expect delays while traveling through the construction zone. **The bypass lane has moved to the southbound side. The bypass lane begins near Summit Ave and continues to just past 4th Street. The bypass lane is continuous with no exits once motorists enter. The next exit after the bypass lane ends will be the I-10 connectors.**

For information on closures follow our Twitter or Facebook page at www.twitter.com/caltrans8 or www.facebook.com/caltrans8.

DATE/TIME	Location	LANES	DETOUR
Friday 5/18, 9:00pm to Monday 5/21, 5:00am	EB/WB 210 Connector to 15SB	Full connector closure	Will be posted
