“Cone Zone” tip for the week:

Many people will be driving over the Memorial Day weekend. Here are some tips that will help make your trip a pleasant one:

1. Listen to the radio for weather and road conditions.
2. Bring snacks, water, cell phone (charged), and any necessary medications.
3. Make sure your car is in good running condition.
4. **Be alert and drive with caution – everyone is in a hurry – arrive alive!**
5. Never drink and drive! CHP and local enforcement check points will be everywhere.
6. Check for road conditions on the CHP website at www.chp.ca.gov under “Current Traffic Incidents”.

This “Alert” will be updated if new information is available or changes. To prepare for roadwork and make your drive and our work zone safer, go to www.caltrans8.info and sign up for roadwork updates under “CT CONNECT”. You may also call us toll free at (866) 383-4631.
