### **INTERSTATE 10 FULL RAMP CLOSURES AT APACHE TRAIL FOR EASTBOUND AND WESTBOUND RAMPS THROUGH JULY 1**

Construction of the Apache Trail Roundabouts will require full closures of eastbound and westbound on-ramps and off-ramps at Apache Trail in Cabazon, from Tuesday, May 27 to Tuesday, July 1. Additional temporary lane closures will occur on Apache Trail during the summer months following the full closure period.

Crews will construct two new roundabouts, reconfigure the ramp connections, upgrade electrical utilities, build drainage systems and replace curbs and gutters. During this closure period, motorists can use Fields Road or Main Street as alternate ramps. Please continue to patronize the Cabazon businesses, which will remain open during construction.

The Apache Trail Roundabout Project is funded by the Morongo Band of Mission Indians. Please remember to drive carefully, follow all signs and be patient while we build the roundabouts for a convenient connection to the Cabazon community.
