

# Interstate 10 Citrus & Cherry Interchange Projects

## TRAFFIC ADVISORY

**Thursday, May 23, 2013**  
**Traffic Advisory #31**

San Bernardino Associated Governments, the City of Fontana, the County of San Bernardino and Caltrans have teamed up to improve the Interstate 10 interchanges at Citrus Avenue and Cherry Avenue in Fontana.

Night-time freeway lane, ramp and street closures will be in place for roadway paving, concrete barrier installations and retaining wall and bridge structure and support work.

**In observance of the Memorial Day Holiday, no closures will occur the evening of May 24 through May 27.**

Please refer to the information below for construction details:

***Please note that construction activities are subject to change, based on contractor’s schedule and weather conditions.***

When complete, the Interchange projects will replace the current Citrus Avenue bridge over I-10 with a seven-lane bridge and the current Cherry Avenue bridge over the freeway with an eight-lane bridge. The project also will widen the bridges over the railroad tracks and improve on-ramps and off-ramps. Upgrades will be made at the intersection of Citrus Avenue and Valley Boulevard, Cherry Avenue and Slover Avenue, and other local street improvements.

Thank you for your patience and support during these improvement projects. Please be aware of the construction area and always make a point to... **SLOW FOR THE CONE ZONE** and **MOVE OVER** a lane when it is safe to do so.
