55-HOUR WEEKEND LANE CLOSURE FOR PAVEMENT REHABILITATION ON STATE ROUTE 60

RIVERSIDE – The California Department of Transportation (Caltrans) will close lanes for pavement rehabilitation on various sections of State Route 60 (SR-60). Lane closures will begin 10:00 p.m. Friday, May 29, 2015 through 5:00 a.m. Monday, June 1, 2015 from Valley Way to Pedley Road in Jurupa. This project is one of several in the region to replace aging and damaged slabs to provide a smoother and more efficient ride for motorists.

The details for the next two 55-hour weekend lane closures are as follows:

In addition to the **55-hour weekend** lane closures, the project will use nighttime lane closures Monday through Friday, from 10:00 p.m. to 5:00 a.m. The project is expected to be completed by the end of 2015.

Motorists are advised to avoid using SR-60 between I-15 and SR-91 during the weekend work. Use alternate routes such as I-10, SR-91 or SR-210. The #1 and HOV (Carpool) lane (2 of 5 lanes) will be available to traffic during the closures. Advanced warning signs will be placed strategically to inform motorists of closures. **HEAVY DELAYS ARE EXPECTED** so plan ahead, know before you go, and rideshare if possible.
