INTERSTATE 10 CLOSURES AT ARIZONA STATE LINE

RIVERSIDE COUNTY – The Arizona Department of Transportation has advised that they will be closing a segment of Interstate 10, 1000 feet east of the California State Line. Arizona Public Service has set new power poles in the area and will be stringing power lines across Interstate 10 on June 1st between 4 AM and 10 AM.

These closures will cause a delay of traffic on the eastbound side of I-10 in Blythe. Anticipate intermittent closures of up to 20 minutes at a time.

Caltrans would like to thank motorists for their continued patience and support during this improvement project. Caltrans asks that motorists be aware of the construction area and always make a point to ***SLOW FOR THE CONE ZONE***. The life you save may be your own!
