FOR IMMEDIATE RELEASE

STATE ROUTE 2 WILL OPEN AFTERALL...

San Bernardino County – The California Department of Transportation (Caltrans) has reopened State Route 2 (SR-2) from Vincent’s Gap to Islip Saddle as of today, June 3, 2011. District 7 was able to expedite work and traffic control for a storm damaged section of SR-2 west of Islip Saddle.

Storm repairs will take place on SR-2 in Los Angeles County at Eagles Roost, located west of Islip Saddle, with either flagging or a traffic control signal for passage, one lane at a time. Motorists are advised to be safe, reduce their speed, and have patience while passing through the emergency work zone.

Caltrans District 8 will continue with a planned fog seal project on SR-2 between Vincents Gap and Islip Saddle (west of Wrightwood) next week with a full closure June 9 from 7 am to June 10 at 7 am.

For more roadwork information, please go to www.caltrans8.info and sign up for Commuter Alerts under “CT Connect”.
