## Closures at I-10 and Indian Canyon Interchange

Granite Construction will be closing lanes and ramps on Interstate 10 (I-10) at the Indian Canyon Interchange. The closures are necessary to remove the existing Indian Canyon structure. A detour will be available for the full closure (see map). Traffic will be diverted off the I-10 at Indian Canyon off ramp and back on at the on ramp. Motorists on the Indian Canyon Drive overcrossing should expect delays up to one hour during the full freeway closures. We strongly recommend using alternate routes during these time periods.
