State Route 91 High Occupancy Vehicle Project Update

Riverside-The California Department of Transportation (Caltrans), continues the six-mile-long, \$232 million high-occupancy-vehicle (HOV) lane project on State Route 91. The Brockton Street under crossing will be closed **Wednesday night, June 6th, between 9 PM and 5 AM the following morning.**

Crews are removing a segment of the bridge on the north side of State Route 91 to widen the bridge and ultimately accommodate construction of the High Occupancy Vehicle lane.

Plan accordingly. Motorists are advised to utilize Arlington Avenue or Madison Street as an alternate route.

For more information on this and other Caltrans projects, visit our Web site at **www.caltrans8.info** and click on "News and Document Center." While there, sign up to receive Commuter Alerts automatically in your email.
