## **MOUNTAIN VIEW ROAD NO LONGER A DETOUR ON THE STATE ROUTE 58 (SR-58) HINKLEY EXPRESSWAY PROJECT**

**SAN BERNARDINO**—The California Department of Transportation (Caltrans) started construction on the State Route 58 (SR-58) Hinkley Expressway Project last week. The \$201 million project, which was awarded to Skanska USA Civil, will widen and realign SR-58 from a two-lane conventional highway to a four-lane expressway. It will also construct two interchanges on the widened and realigned portion of SR-58—one at Hinkley Road and the other at Lenwood Road.

It was previously shared that Mountain View Road would be used as a detour while Hinkley Road is closed to construct the new overpass. Thanks to community input it has been determined that Dixie Road will be used in lieu of Mountain View Road.
