PROJECT OVERVIEW

This project will increase the capacity on southbound I-215 by adding a mixed flow lane between Blaine St. and Martin Luther King Blvd.

PLANNED CLOSURES

LANE CLOSURES

SB I-215 will be reduced to 2 (two) lanes from 10 pm to 6 am, Monday to Thursday and from 11:00 pm to 7:00 am on Fridays intermittently from June 11 to August 31 2013. No detour is necessary. Please expect delays.

CONNECTOR CLOSURES

The SB I-215 to SB I-215/EB SR-60 connector and the EB SR-91 to SB I-215/EB SR-60 will be fully closed intermittently from 10:00 pm to 6:00 am Monday to Thursday and from 11:00 pm to 7:00 am on Fridays, from June 11 to August 31, 2013.

RAMP CLOSURES

The SB I-215 on-ramp at Blaine Street, off-ramp at University Ave and on/off-ramps at Martin Luther King will be closed intermittently from 10:00 pm to 6:00 am Monday to Thursday and from 11:00 pm to 7:00 am on Fridays, from June 11 to July 11, 2013.

10-DAY FULL CLOSURE

Blaine Street On Ramp 10 consecutive day closure: In addition to the intermittent closures, the Blaine Street on-ramp will be closed for 10 consecutive days from June 21 to July 1, 2013.

DETOURS

SB I-215 to SB I-215/EB SR-60: Take Columbia Ave exit onto Interchange St. Turn left on Primer St. Turn left on Columbia Ave. Turn right on Iowa Ave. Turn left on University Ave. Enter SB I-215/EB SR-60 on-ramp.

EB SR-91 to SB I-215/EB SR-60: Take University Ave exit and turn right onto University Ave. Enter SB I-215/EB SR-60 on-ramp.

Blaine St. on-ramp closure: Take Chicago Ave or Iowa Ave south to University Ave. Turn left on University Ave and enter SB I-215/EB SR-60 on-ramp.
