## **SCOPING MEETING NOTICE** **STATE ROUTE 58 VIA HINKLEY**

**Hinkley, CA** – Caltrans will host a scoping meeting for the State Route 58 (SR-58) future widening and realignment project via Hinkley.

Caltrans proposes to construct a four-lane freeway from 2.8 miles west of Hidden River Road to 0.7 miles east of Lenwood Road through the community of Hinkley and unincorporated areas of San Bernardino County. The project will improve safety, connect the gap, meet current design standards, handle current and future traffic issues, and upgrade the route's pavement. In conjunction with the Federal Highway Administration (FHWA), Caltrans will conduct an environmental study to look at other routes (or alternatives) that could be built to widen or realign SR-58, and the possible affects on the environment if those routes were built. The results of this study will be provided in an Environmental Impact Statement/Environmental Impact Report (EIS/EIR). One preferred alternative will be recommended.

A scoping meeting will help provide the information for the EIR/EIS documents. Caltrans is requesting the public's input and would like to hear your ideas to help make the best decisions for the project. The "open-house" style meeting information is listed below:

DATE	LOCATION	TIME
Tuesday, June 26, 2007	Hinkley Elementary School 37600 Hinkley Road Hinkley, CA 92347	6:00 p.m. to 9:00 p.m.

Knowledgeable Caltrans employees from various functions involved in the project will be present to answer questions.
