60 MPH
SPEED LIMIT WILL BE ENFORCED

LANE AND SHOULDER RECONSTRUCTION WORK CONTINUES

Construction crews continue day and nighttime work for the northbound and southbound lane and shoulder reconstruction. Crews continue K-rail installation, excavation, hauling and paving in both Northbound (NB) and Southbound (SB) directions.

A northbound managed traffic flow crossover (bypass lane) from Blue Cut, just south of Cleghorn Road, to the Split, about 1.5 miles north of Hwy 138 will be in place through June. To view a video of a bypass lane click here: <https://www.youtube.com/watch?v=WMWhR43FnPU>. Commercial vehicles (trucks), vehicles pulling trailers, or busses are NOT allowed in the crossover. There will be narrow lanes and limited emergency pull off areas. Shoulders are accessible only on the mainline lanes, if you think you may need to utilize a shoulder, stay on the main lanes. There is NO access to Cleghorn off ramps or Hwy 138 from the crossover lanes.

A truck bypass going NB at Oak Hill Rd will be in place for approximately 2 weeks.
Oak Hill Road ramps will remain open.

Below is information on construction closures that will begin on Sunday, June 14th. **Nighttime work will begin as early as 6 p.m. (southbound) and end by 9 a.m. (northbound).** The freeway shoulder along the project limits is for emergency vehicle access only. **Automobiles blocking emergency response vehicles may be cited.**

Alternating Lane Closures	Date and Time	Detour
NB I-15 lane closures between Kenwood Ave. and Oak Hill Rd.	Monday (6/15) thru Thursday (6/18) night 8 PM - 11 AM Sunday (6/14) 6 PM-11 AM	No detour is necessary as other lanes on NB I-15 will be open to traffic
SB I-15 lane closures between Oak Hill Rd. and Kenwood Ave.	Sunday (6/14) 8 PM – 5 AM Monday (6/15) thru Thursday (6/18) Nights 6 PM – 5 AM	No detour is necessary as other lanes on SB I-15 will be open to traffic
