**SR-60/Moreno Beach Dr. Interchange Improvements
Project No. 07-41570024; EA 08-323014**

For Immediate Release

To: Motorists, Businesses, Residents, and Interested Parties
Subject: Notice of Ramp Closure on June 21 through June 23, 2013 at SR-60/Moreno Beach Drive

The City of Moreno Valley is constructing improvements to the State Route 60 (SR-60)/Moreno Beach Dr. interchange. The contractor is building new Moreno Beach Drive Off and On Ramps and completing related improvements.

The completion of the new off ramp is scheduled for Friday, June 21, 2013 through Sunday, June 23, 2013. A full ramp closure is necessary as part of this operation. Moreno Beach Drive and EB on ramp will remain open.

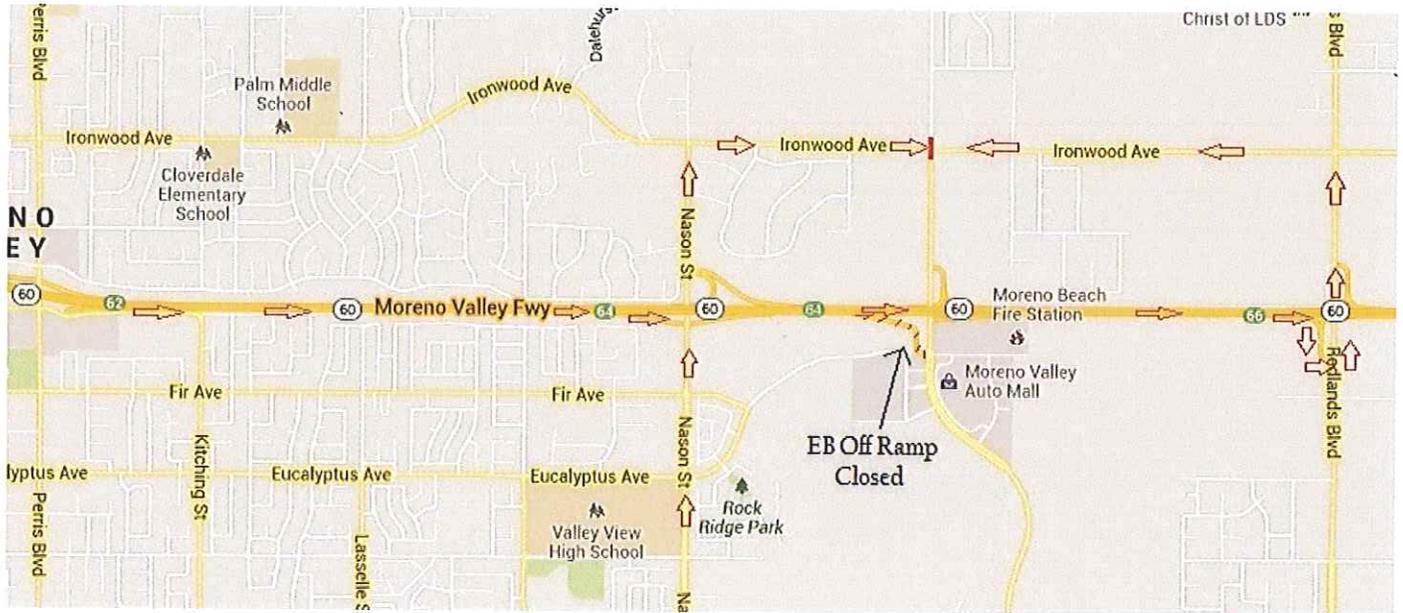

Eastbound SR-60 Moreno Beach Drive Off Ramp will be closed beginning at 10:00 PM on Friday, June 21, 2013 and will reopen at 6:00 AM on Sunday, June 23, 2013. The detour for this closure will be from SR-60 eastbound, exit at Nason Street. Continue north on Nason Street to Ironwood Avenue east. Continue east on Ironwood Avenue to Moreno Beach Drive. This concludes the detour. (See attached detour map). All mentioned streets will remain open, however, motorists may experience delays in this area.

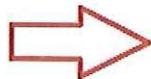

If inclement weather and/or other factors change this schedule, updated notifications will be issued.

For questions please contact:

- Falcon Engineering Services, Inc. (Construction Manager), Wael Faqih, Resident Engineer, (951) 264-2350, or Juan Rojas, Assistant Resident Engineer, (951) 264-6422
- City of Moreno Valley, Margery Lazarus, Senior Engineer, (951) 413-3133
