## Interstate 215(I-215) Improvement Project Update #13

**San Bernardino** – Motorists are continuing to see construction activities on the I-215 between Orange Show Road and Rialto Ave. One important update is the closure of the northbound on ramp at Orange Show Road. This closure will be in effect for the next two weeks while the contractors work near the on ramp. Please use Inland Center Drive or 2<sup>nd</sup> Street as an alternate route.

The most recent nighttime work will begin the week of June 22<sup>nd</sup> and will consist of paving and striping of the north and southbound lanes on the I-215. At least one lane in each direction will be available at all times. Please allow additional travel time due to lanes being restricted. In order to keep you moving and on time we have provided the work schedule below.

DATE	LOCATION	LANES INFORMATION	CLOSURE HOURS
Mon. - Fri. (June 18 - 27)	Closure of the northbound on ramp at Orange Show Road	Use 2 <sup>nd</sup> Street or Inland Center Dr. as alternate routes	7:00 a.m. to 2:00 p.m.
