

CALTRANS COMMUTER ALERT

12-145

Date: Friday, June 21, 2012
District: 8 – San Bernardino
Contact: Terri Kasinga
Phone: (909) 383-4631 (work)
(951) 232-4268 (cell)

WHAT: HAZMAT SPILL

WHEN: JUNE 22, 2012 (0800)

WHERE: I-15 SOUTHBOUND AT NEVADA STATE LINE

An overturned truck is leaking Ferric Chloride in the median on southbound I-15 at the Nevada State Line. As a result the #1 lane of both north and southbound I-15 is closed at Yates Well Road. The Nevada Highway Patrol has closed all lanes on southbound I-15 at State Line and discussions are taking place to close all northbound lanes at State Line.

Below is the link for the MSDS sheet for the substance:

<http://www.injectorall.com/MSDS199.htm>

Once more information is available it will be released.

The length of the closure is undetermined at this time. Motorists are advised to avoid travel to i-15 at State Line until information for reopening of I-15 is available.
