

# CALTRANS COMMUTER ALERT

12-145a

**Date:** Friday, June 21, 2012  
**District:** 8 – San Bernardino  
**Contact:** Terri Kasinga  
**Phone:** (909) 383-4631 (work)  
(951) 232-4268 (cell)

**WHAT:** HAZMAT SPILL

**WHEN:** JUNE 22, 2012 (0830)

**WHERE:** I-15 SOUTHBOUND AT NEVADA STATE LINE

An overturned truck is leaking Ferric Chloride in the median on southbound I-15 at Yates Well Road just south of the Nevada State Line.

- The #1 lane of both north and southbound I-15 is closed at Yates Well Road until further notice.
- Southbound I-15 is reopening now.
- Northbound I-15 is not going to close at this time.

Be advised that additional closures may occur if there are issues during hazmat clean up in the interest of public safety.

Below is the link for the MSDS sheet for the substance:

<http://www.injectorall.com/MSDS199.htm>

Once more information is available it will be released.

***Motorists are advised to avoid travel to I-15 at State Line until all lanes are restored.***
