INTERSTATE 15 BLASTING CONTINUES (UPDATE)

Mountain Pass (San Bernardino)– Blasting adjacent to I-15 continues on June 24 and 25. This will require a temporary closure of the freeway. The contractor will blast between the hours of 8:00 a.m. and 10:00 a.m. to accommodate traffic. The closure will require a minimum of one hour to clean up left over debris from the blast. Interstate 15 will close just north of Bailey Road and south of Nipton Road in both directions during the blasting. **BE PREPARED TO STOP.**

Drivers should anticipate the delay caused by the blasting and closure of the freeway. If you are traveling through the Mountain Pass area please give yourself plenty of time and **PLAN AHEAD.** There are locations to the south in Baker and to the north at State Line where you can fuel, eat, or shop while waiting for the blasting to be complete. Caltrans reminds drivers to always SLOW FOR THE CONE ZONE.

Future Commuter Alerts will be issued by Caltrans to advise motorists. Thank you for your patience.
