**WHAT: NEW BIG BEAR BRIDGE – NO PEDESTRIAN ACCESS**

**WHEN: MONDAY, JUNE 27, 2011**

**WHERE: STATE ROUTE 18 AT STATE ROUTE 38 (BIG BEAR DAM)**

The new bridge over Big Bear Dam opened to traffic on Friday, June 24, however, ***access will not be available on the pedestrian walkway*** until work is completed on the bridge rails.

Caltrans continues work on the \$39 million Big Bear Bridge project which is expected to be completed by fall 2011, if not sooner.

In light of recent tragic Caltrans worker fatalities, the Department asks that public to slow down, move over, and drive safely through the work zone. A few extra seconds of care and caution may save a life....and it may be your own.
