FOR IMMEDIATE RELEASE

FOURTH OF JULY MORATORIUM

Inland Empire – Caltrans wishes you and your loved ones a safe Fourth of July weekend. There are no planned lane or ramp closures on state highways beginning Thursday, July 3 at 6:00 a.m. through Monday, July 7, at 6:00 p.m.

Lane closures may be necessary under the condition of accidents or emergency work. Parades and other local holiday events may impact local roads.

NO FIREWORKS will be permitted in the San Bernardino Mountains and routine vehicle searches may be possible by law enforcement personnel.

Caltrans wants to impress upon the traveling public how important it is to buckle up, be alert and sober, and drive cautiously during the holidays. The new cell phone bill goes into effect on July 1, 2008 so use your hands free.

Our website has up to date information so go to www.caltrans8.info or call us toll free at (866) 383-4631.

“Caltrans is here to get you there.”
