US 95 ASPHALT PAVEMENT REPAIR PROJECT

US 95 - The California Department of Transportation (Caltrans) announces the beginning of a construction project on US 95 to repair asphalt pavement from Havasu Lake Road to Needles Pipeline Road and from Goffs Road to seven miles south of Nevada Stateline. This \$1.1 million project began June 30, 2010 with an estimated completion date of July 23, 2010.

In order to keep you moving and on time we have provided the work schedule below.

DATE	LOCATION	LANES INFORMATION	HOURS
Mon. – Fri. June 30 through July 23	From Havasu Lake Road to Needles Pipeline Road and from Goffs Road to seven miles south of Nevada Stateline	One way traffic with the use of a pilot car	7:00 p.m. to 7:00 a.m.

Future commuter alerts will be provided as new lane closure information becomes available. This information can be obtained by visiting the Caltrans website at www.caltrans8.info and go to CT connect.

Caltrans would like to thank motorists for their patience and support as we work to improve your roads. Avoid frustration by allowing extra travel time. As safety is Caltrans number one priority for both motorists and workers, we ask that motorists please be aware of the construction area and always make a point to **SLOW FOR THE CONE ZONE.**
