New 14th Street Westbound Off-Ramp Opens Tomorrow Morning in Riverside

RIVERSIDE – Caltrans is pleased to announce the opening of the newly completed westbound 14th Street off-ramp on State Route 91 (SR 91) on Wednesday, July 2, at 5:00 a.m. This ramp, along with the westbound Ninth Street on ramp, has been remodeled as part of the \$232 million State Route 91 (SR 91) High Occupancy Vehicle (HOV) project between Madison Avenue and the 60/91/215 Interchange in Riverside.

Both ramps were closed on June 2, 2014 in order to safely complete the new westbound 14th Street off-ramp and relocate the westbound Ninth Street on-ramp to 10th Street. Work will continue on the project to add an HOV lane in both directions and improve the intersections at Madison Avenue, Arlington Avenue, Central Avenue, and 14th Street. The project is expected to be complete in late summer/fall 2015.

Please remember to drive the **55 mile per hour speed limit** in the 91 HOV Project construction zone. Check out www.91HOVProject.com for updated project information.
