

I-215 / NEWPORT ROAD INTERCHANGE PROJECT

Construction Alert

PROJECT OVERVIEW

This project will reconstruct the existing interchange located on Interstate 215 (I-215) at Newport Road in Menifee. The proposed improvements will reconstruct the existing diamond interchange into a partial cloverleaf interchange configuration, with northbound and southbound loop on-ramps. The existing bridge will be widened to accommodate six through lanes of traffic, including outside shoulders that will be used as bike lanes and a sidewalk on the north side of the bridge.

Construction Activities Suspended for the 4th of July Holiday Weekend

In an effort to make travel easier for motorists this 4th of July holiday weekend, **construction work will be suspended on Friday-Sunday, July 3-5, 2015.**

Construction activities will resume on Monday, July 6, 2015.

The I-215/Newport Road Interchange Project Team wishes everyone a safe and happy Independence Day.

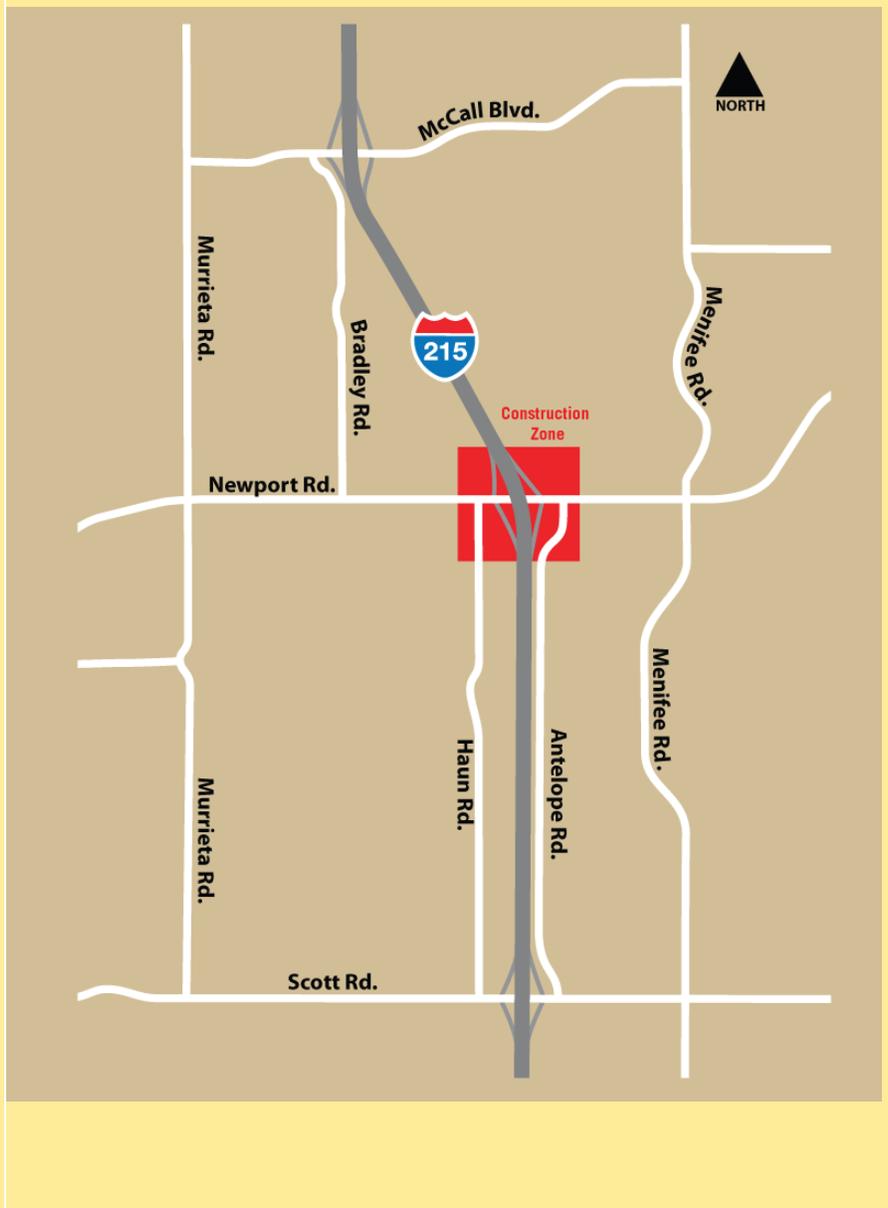

Upcoming Work

Upcoming Lane Reductions on Newport Road

Please be advised that construction work on Newport Road for median removal is scheduled to start at the **end of July**, and is anticipated to be completed within 2-3 weeks. Lanes will temporarily be reduced to two lanes in each direction during this period.

Upcoming Full Freeway Closures on I-215/Newport Road

Crews are scheduled to work on the bridge falsework on **July 27-31, Monday-Friday from 10pm to 5am**. Mainline traffic will be diverted to use the off- and on-ramps at Newport Road as temporary detours during these night closures. More detour information will be made available to the public.

Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and see map for alternate/detour routes. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.

NOTE: Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.
