INTERSTATE 10- CENTER MEDIAN PROJECT

RIVERSIDE COUNTY – The California Department of Transportation (Caltrans) continues construction of a \$26.1 million center median on Interstate 10 between Pennsylvania Avenue in Beaumont to Hagen- Lehman Way in the Palm Springs area of Riverside County. This project extends the center median through Banning, joins with the existing center median in Cabazon, and continues through Riverside County to Hagen- Lehman Way.

Crews continue work, this week and next, in the center median of I-10 between Banning and Palm Springs from 9 PM to 5 AM. Anticipate (inside) lane closures in both directions.

Be prepared to merge early. Please be courteous and create a space for merging vehicles so everyone can get from Point A to Point B. Caltrans would like to thank motorists for their continued patience and support during this improvement project. Caltrans asks that motorists be aware of the construction area and always make a point to **SLOW FOR THE CONE ZONE**. The life you save may be your own!
