Lane closures will begin at 10:00 p.m. Friday night through 5:00 a.m. Monday morning from Reservoir Street to Euclid Ave in Chino. This project is one of several in the region to replace aging and damaged slabs to provide a smoother and more efficient ride for motorists.

Motorists are advised to avoid using SR-60 between I-15 and SR-91 during the weekend work. Use alternate routes such as I-10, SR-91 or SR-210. The #1 and HOV (Carpool) lane (2 of 5 lanes) will be available to traffic during the closures. Advanced warning signs will be placed strategically to inform motorists of closures. **HEAVY DELAYS ARE EXPECTED** so plan ahead, know before you go, and rideshare if possible.
