Pavement striping on Interstate 10 east of Quartzsite scheduled next week

Arizona Department of Transportation sent this bulletin at 07/13/2012 12:50 PM MST

Pavement striping on Interstate 10 east of Quartzsite scheduled next week

Minor delays expected between Phoenix and Quartzsite

The Arizona Department of Transportation is scheduled to stripe the new pavement on Interstate 10 east of Quartzsite Monday, July 16 through Friday, July 20 between 6 a.m. to 6 p.m.

Motorists are advised to plan ahead and allow extra travel time between Phoenix and Quartzsite due to lane restrictions.

What to expect during striping:

- Slow moving traffic on I-10 in both directions between mileposts 52-63
- Reduced speed limits through the work zone
- Law enforcement will be on-site to control traffic and monitor speeds

ADOT advises drivers to proceed through the work zone with caution, slow down and be alert for construction equipment and personnel.

ADOT works to inform the public about planned highway restrictions, but there is a possibility that unscheduled closures or restrictions may occur. Weather can also affect a project schedule. To stay up-to-date with the latest highway conditions around the state, visit the ADOT Traveler Information Center at www.az511.gov or call 5-1-1.

For more information about this project, please visit www.azdot.gov/statewide or contact Yuma District Senior Community Relations Officer Gabriella Kemp at 928.317.2165, gkemp@azdot.gov or ADOT Community Relations Officer, Paki Rico, at 520.388.4233, prico@azdot.gov.

Local media should contact the ADOT Public Information Office at news@azdot.gov or 1.800.949.8057. Visit www.facebook.com/azdot or www.azdot.gov for more information about ADOT.
