July 12-15 Tuesday-Friday 10pm-6am	Intermittent freeway lane closures <ul style="list-style-type: none"> on northbound I-215 between Scott Road and McCall Boulevard
July 15-16 Friday-Saturday 10pm-7am	Intermittent ramp closures on <ul style="list-style-type: none"> northbound I-215 on- and off-ramps
July 12-15 Tuesday-Friday 9pm-6am	Intermittent lane reductions on <ul style="list-style-type: none"> Newport Road between Haun Road and Antelope Road
July 15-16 Friday-Saturday 9pm-7am	

Change in Traffic Pattern: New Northbound On- and Off-Ramps at Newport Road Open

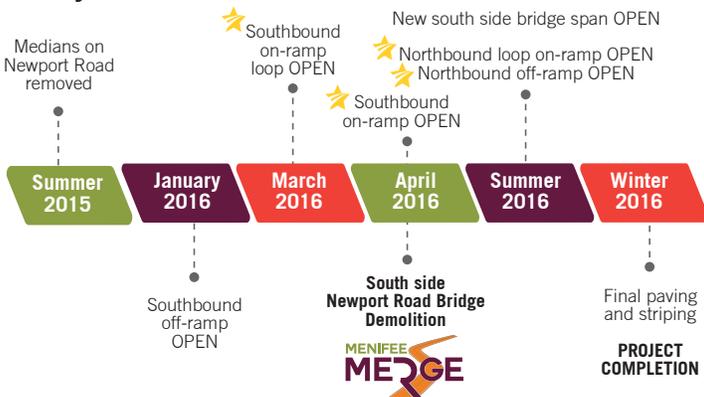

The new on-ramp to the **northbound Interstate 215 (I-215)** will be open starting **Wednesday morning, July 13**, completing another phase of the interchange project.

In addition, a temporary **off-ramp from the northbound I-215** will also open at the same time. This will accommodate the construction of the northbound loop on-ramp for drivers traveling eastbound on Newport Road. In the final configuration, this will ultimately eliminate the left turn and improve access to the freeway significantly.

Please be advised there may be minor delays from the flashing red light on Thursday morning as Caltrans crews finalize the traffic light configuration.

Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and use an alternate route. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.

Project Schedule

NOTE: Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.
