WHAT: TRANSPORTATION PERMIT LOAD MOVE

WHEN: JULY 24, 2012

WHERE: ROUTE 395 FROM ADELANTO TO NORTH OF KRAMER JUNCTION

A permit load will move an aircraft wing north on Route 395 from El Mirage in Adelanto to SR 178 near Trona tonight, July 24.

The move was postponed last night, July 23, due to the full closure of northbound I-15 for the La Mesa/Nisqualli bridge work in Victorville. Due to the excellent work and early completion of work by the contractor, there will be no closures tonight on northbound I-15 as originally planned. This will allow the permit load to continue this evening.

The move will require a full moving closure on Route 395 between 9:00 p.m. and 5:00 a.m. from El Mirage Road/Valley Drive to State Route 178. The California Highway Patrol (CHP) will be assisting with the move.

Motorists are advised to use an alternate route such as I-15 to avoid any delays.
