State Route 62 Project to Begin

San Bernardino County – Caltrans is beginning a project on SR-62 from 1.3 miles west of Iron Mountain Pumping Road to 1.2 miles west of Blythe/Rice Road for grinding and paving. The project will improve a ten-mile stretch of SR-62. The proposed completion date for this \$1.2 million project is fall 2008.

One lane will be closed and the traffic will be directed with the use of a pilot car. The work hours will be from 6:00 a.m. to 4:00 p.m. Monday through Friday.

Caltrans would like to thank motorists for their patience and support as we work to improve your roads. Avoid frustration by allowing extra travel time. As safety is Caltrans number one priority for both motorists and workers, we ask that motorists please be aware of the construction area and always make a point to ***SLOW FOR THE CONE ZONE.***

This “Alert” will be updated with new information for the duration of the project. Please visit our website at www.caltrans8.info and go to “CT Connect” to sign up for automatic notification of this alert and others.
