August 5-6 Friday-Saturday 9pm-7am	

Upcoming Nighttime Full Freeway and Newport Road bridge Closures (August 8-12)

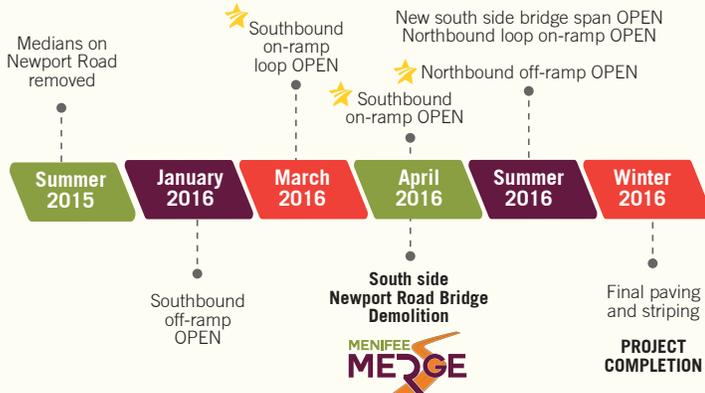

◀ See map for alternate routes

As part of the ongoing construction, crews will be installing falsework on Newport Road bridge over the I-215 freeway lanes. For the safety of the traveling public, these activities will require nighttime full closures of the northbound and southbound freeway lanes at Newport Road to avoid working over live traffic. Closures are anticipated nightly **Monday-Friday, August 8-12 from 9pm-5am.**

Mainline traffic will be diverted to use the on- and off-ramps as temporary detours. Traffic on Newport Road will be diverted to use Scott Road. Signage will be present to direct motorists, cyclists and pedestrians. Please follow the signed detour routes.

Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and use an alternate route. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.

Project Schedule

NOTE: Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.
