Caltrans Cleaning Shoulders on State Route 210 In San Bernardino

SAN BERNARDINO – The California Department of Transportation is cleaning the shoulders on State Route 210 (SR-210) in San Bernardino and Highland. Crews are working westbound this week from State Route 330 (SR 330) to Highland Avenue and will then go eastbound on SR 210 to 5th Street.

The work hours are 9:00 a.m. to 2:00 p.m., Monday through Friday for the next two weeks. The shoulder work is being performed in anticipation of a fog seal project that is scheduled for completion before the end of September. The fog seal work will be conducted by a moving closure. The slow lane may be closed during the fog seal to stage equipment and provide a safe work zone for crews.

Thank you for your patience as Caltrans works to improve your commute.
