#4 (Outside) lane closure

UPCOMING WORK

Crews are scheduled to perform bridge work on **Monday-Tuesday, August 10-11, 2015** which will require the following closures:

- **Full street closure:** Anderson St / Tippecanoe Blvd from the Eastbound on- and off-ramps to Harriman Pl
- **Full ramp closures:** Westbound on-ramp and Eastbound on- and-off ramps at Anderson St / Tippecanoe Ave

During the full street and ramp closures, traffic will be diverted to use Redlands Blvd and Harriman Pl as temporary detours. More detour information will be made available to the public.

Due to unforeseen issues or inclement weather, these dates and times are subject to change.

Motorists and pedestrians should use caution while traveling through work zones near barricades and equipment.

Thank you for your patience and support during this improvement project. Please adhere to all posted signage in the construction zone and always remember to... **SLOW FOR THE CONE ZONE.**
