

COMMUTER ALERT

08 -189

Date: Thursday, August 6, 2009
District: 8 - San Bernardino County
Contact: Darin Cooke
Phone: (909) 383-4631
(909) 383-6799

ROAD WORK HAS BEGUN ON STATE ROUTE 138

San Bernardino – Caltrans has begun construction on State Route 138 between Interstate 15 and State Route 2. The project is expected to be completed before Labor Day. The project will start with digouts and an asphalt overlay will follow. This will provide an improved riding surface, better visibility and extend the life of the pavement.

The work hours are Monday through Thursday from 8:00 p.m. to 5:00 a.m. Lane closures will be necessary throughout the project. A pilot car will be utilized for one way traffic control. Traffic control will span a 4-mile segment at a time. This is **nighttime** construction so please be aware of Flagger and drive safely through the construction zone. Traffic impacts are expected to be minimal.

This “Alert” will continue to be updated with new information for the duration of the project. For your convenience you may sign up for automatic notification of this alert by visiting our website at www.caltrans8.info and go to “CT Connect” or News and Document Center.

Caltrans would like to thank motorists for their continued patience during the State Route 138 construction. Caltrans maintenance is working to keep our roads in good driving condition. We ask that motorists please be aware of the construction area and always make a point to ***SLOW FOR THE CONE ZONE.***
