BE WORK ZONE ALERT!

STATE ROUTE 74 PAVEMENT PRESERVATION PROJECT BEGINS NEXT WEEK IN HEMET

RIVERSIDE -The California Department of Transportation (Caltrans) District 8, has awarded a \$900,000 contract to All American Asphalt, Inc. to apply a pavement preservation treatment to State Route 74 (SR-74) from ½ mile east of Leon Road to Calvert Avenue and from Four Seasons Blvd. to .04 miles west of Warren Road.

All work will be in the nighttime for this project and begins on Monday, August 10. The project is expected to be complete by early October 2015. The work hours are Monday through Friday from 9:00 p.m. to 8:00 a.m. the next morning.

Motorists are urged to merge early and reduce your speed limit in the work zone. Advisory signs will be posted through the construction zone and the California Highway Patrol will provide zone enforcement. Use alternate routes to avoid the roadwork if possible.
