Emergency Project Initiated for Falls Fire Clean-up and Repairs

An emergency project to clean-up and repair the damage caused by the Falls Fire on State Route 74 (SR-74) has been awarded to Beador Construction Company of Corona. The \$1.7 million dollar contract will include repairing and/or replacing the following:

- 14,000 feet of guardrail
- 2,000 feet of striping
- 25 signs
- 15 sign posts
- 1000 feet of roadside berms
- 200 recessed markers
- 150 reflective delineators

As the contractor will be making construction assessments this evening, an estimated opening for SR-74 has not yet been determined (CHP escorts are still in effect). Stay tuned to our webpage for construction updates and information.
