### NIGHTTIME CONNECTOR, RAMP AND LANE CLOSURES ON I-15 AND I-215 IN DEVORE AUGUST 10 TO AUGUST 15, 2015

**DEVORE, Calif.** – As part of the Devore Interchange Project, crews will conduct activities that will necessitate connector, ramp and alternating lane closures for the safety of the public and workers. Most closure restrictions will be lifted each day so motorists can travel at peak daytime traffic times. Noise can be expected with these activities. Motorists are advised to expect intermittent traffic breaks for brief periods of time during nighttime work for equipment positioning and lane closure placement and removal. Please note that information contained in this commuter alert is subject to change without notice based on weather, field conditions or other operational factors

**NOTE:** As a reminder, the northbound I-215 Devore Road off-ramp closed on August 3, 2015 for about nine days so crews can work on the new configuration. The new northbound I-215 Devore Road off-ramp alignment will open on August 12, 2015.

The northbound I-215 Devore Road on-ramp closed on July 15, 2015 for about 30 days.
