State Route 91 High Occupancy Vehicle Project Update

Riverside-The California Department of Transportation (Caltrans), continues the six-mile-long, \$232 million high-occupancy-vehicle (HOV) lane project on State Route 91 through downtown Riverside, CA.

No closures will occur next week within the project limits. Drivers are reminded that K-rail placement and lane width reduction will be in effect for the duration of the project and that the speed limit has been reduced through the project limits. Add time to and plan your commute accordingly.

For more information on this and other Caltrans projects, visit our Web site at www.caltrans8.info. Click on the "News and Document Center" link and sign up to receive Commuter Alerts automatically in your email.

Thank you for your patience as Caltrans and RCTC work to improve the State Route 91.
