

## **Special Notice: Full Closures of Northbound and Southbound 15 Connectors to Westbound 91, Weekend of August 21, 2015**

As part of the Riverside County Transportation Commission's 91 Project, there will be full closures of the northbound and southbound Interstate 15 connectors to westbound 91 the weekend of August 21, 2015.

The northbound 15 to westbound 91 connector will close from 10 pm on Friday, August 21 through 4 am on Monday, August 24. Motorists may travel east on the 91, use the McKinley Street off-ramp, and then enter the westbound 91. (Please see detour map below). The southbound 15 to westbound 91 connector will close from 10 pm to 6:30 am on August 21, from 11 pm to 8 am on August 22, and from 10 pm to 4 am on August 23. Motorists may use the same detour to McKinley Street.

The closures will allow crews to tie in the northbound I-15 to westbound 91 connector to a new bridge, which is scheduled to open August 24.

Motorists are reminded to allow extra travel time, follow the designated detour, watch for signs and, if possible, avoid travel during peak hours.

For questions, please call the helpline or visit the website noted below. We thank you for your patience and understanding.
