## Interstate 40 Bridge Work Continues

**San Bernardino County** – Caltrans continues work on Interstate 40 (I-40) to repair girders on eight bridges. The work consists of installing shear keys to stop/delay progression of girder cracks.

The long-term lane restriction is located on the eastbound I-40 between the Rojo Bridge and Clipper Valley Bridge. One lane will be available across the bridges. **PLEASE NOTE:** The one lane available will provide for a 16' width. Any oversize loads should contact Caltrans Transportation Permits at (909) 383-4637. In order to keep you moving and on time, we have provided the work schedule below.

DATE	LOCATION	LANE INFORMATION	CLOSURE HOURS
August 25 and continuing for approximately eight weeks	Eastbound I-40 between Rojo Bridge and Clipper Valley Bridge	One lane will be available	24 hour closure

Please prepare for your trip across the desert. BRING WATER, medication, snacks and make sure your car is in good running condition. As safety is Caltrans number one priority for both motorists and workers, we ask that motorists please be aware of the construction area and always make a point to **SLOW FOR THE CONE ZONE**.

This "Alert" will be updated with new information for the duration of the project. Please visit our website at [www.caltrans8.info](http://www.caltrans8.info) and go to "CT Connect" to sign up for automatic notification of this alert and others.
