## **INTERSTATE 15 PAVING PROJECT TEMECULA TO LAKE ELSINORE**

**RIVERSIDE COUNTY** – Construction crews continue the paving project on I-15 between Murrieta Hot Springs Road in Temecula and Nichols Road in Lake Elsinore. Crews will be surface grinding the northbound shoulders and ramps beginning Monday, August 25<sup>th</sup> between 9 PM and 6 AM. Crews will move north from Murrieta Hot Springs Road to Nichols Road in Lake Elsinore.

This is a continuous operation requiring shoulder and ramp closures within the scope of work. Ramps will be closed, one at a time, as the grinding crew progresses north on Interstate 15. The ramp will reopen as soon as grinding operations on the ramp are completed with the grinding crew continuing northbound on the shoulders. Anticipate local ramp closures and be prepared to use the next local ramp. Crews will move to the southbound side of I-15 and continue shoulder and ramp grinding when the northbound side is completed.

Minor delays are expected due to lower nighttime traffic volume. Give yourself extra commute time. Merge early and make space for vehicles around you so everyone can get from Point A to Point B successfully.
