WHAT: WILDFIRES IN CAJON PASS

WHEN: MONDAY, AUGUST 22, 2011 (1720)

WHERE: I-15 NORTHBOUND FROM KENWOOD TO CLEGHORN (CAJON PASS)

Two wildfires began on I-15 northbound in the Cajon Pass between Kenwood and Cleghorn at approximately 1:00 p.m. today. As a result the north and southbound lanes of the route are subject to closure and/or reduced lanes.

Northbound I-15 still has three lanes open and two lanes closed between Kenwood and Cleghorn. All lanes are open on southbound I-15.

Two of five lanes are expected to remain closed on I-15 northbound for at least the next four to six hours to allow access for fire equipment.

Motorists are advised to avoid the Cajon Pass or if you must travel northbound, **expect heavy delays.**

This will be the last update for the evening from Caltrans.

Please remember to MOVE OVER and SLOW DOWN – it's the law.
