Eastbound Interstate 10 Cottonwood Springs Road Exit Closes for Pavement Project

Riverside County- A pavement rehabilitation project on eastbound Interstate 10 requires closing the east bound exit ramp at Cottonwood Springs Road. Cottonwood Springs Road is approximately 25 miles east of Coachella Valley and is one entrance into Joshua Tree National Park.

The paving operation is a progressive project, meaning it moves forward each night approximately 2.5 to 3 miles a night. The eastbound exit ramp at Cottonwood Springs Road is scheduled to close **one** (just one) of any three nights- September 6, September 7, or September 8 between 10 p.m. and 6 a.m.

Motorists are advised to “know before you go” and be prepared to detour if necessary. Detours are as follows:
